1. The purpose of this action memorandum is to insure expeditious development of exercise facilities in this building. You are aware, I am sure, that a special task force operating from my office examined the possibilities for exercise facilities and strongly recommended that the Agency develop them. The Chief of the Medical Staff then asked for additional time to study the matter personally. I believe that he has had sufficient time to do this.

2. There is ample material available to justify the expenditure of Government funds for this purpose. It is done in a large number of other Government departments in Washington. Appropriated funds are used for exercise facilities on military installations. The Chief of the Medical Staff, at the Seminar for DD/S Supervisors, discussed the advisability of exercise in his presentation. The General Counsel should have no difficulty in preparing the necessary back-up material for any discussions with Congressional committees and the Bureau of the Budget that might be required. This policy already has the firm endorsement of the DDCI.

3. Will you therefore insure that the Office of Logistics obtains space as quickly as possible, and that the Medical Staff
